Blue Lake Estates, Horseshoe Bay, TX

Rare opportunity to own a prime piece of waterfront in Blue Lake Estates. This heritage property has been held by the same family for decades and is being offered for sale for the first time. Two lots are being offered together providing approximately 220 feet of waterfront. The property line runs out into the lake and allows for construction of additional watercraft storage. These properties feature large mature oak trees that provide plenty of shade over the lush green lawn and there is currently a 1 stall boat dock. Properties like this seldom become available, it is not one you want to miss! Blue Lake Estates is a highly desirable lake community, located 45 miles west of Austin and 90 miles north of San Antonio in the heart of the Texas hill country. Neighborhood amenities include a waterfront POA park, boat ramp, golf course, tennis courts, and marina. Build the lake house of your dreams and enjoy the best in lakeside living. Life on Lake LBJ is truly beautiful!
