2 Bedroom, 2.00 Bathroom,  
Farms and Ranches on 52.50 Acres

N/A, Burnet, TX

Beautiful ranch with a prime location between Burnet and Marble Falls. Drive time to Austin is about an hour with San Antonio being just over an hour and a half. The R3 Ranch features a mile of both sides of rock-bottom Hairston Creek, a hilltop home site with outstanding long-range views, a good variety of mature hardwoods and deep soils with knee high grasses. The property is utilized as a year-round family recreational ranch with an emphasis on hunting, wildlife management and cattle grazing. Native wildlife is plentiful with a bonus of the occasional exotic species. The ranch's clean, functional improvements include a 4,000 sqft. metal building on concrete slab with living quarters and a rainwater collection system, along with a cozy tiny home. Current owners have meticulously maintained the property in many ways including an extensive cedar removal program which has enhanced wildlife corridors and allowed native grasses to flourish. Valuable, reliable infrastructure already in place with an electric entrance gate, a good all-weather limestone base road, new perimeter fencing, electricity, and water well.

Built in 1999
