HILL COUNTRY VILLAGE, Hill Country Village, TX

A spectacular new listing in Hill Country Village with a single-story main home, one guest home, and one pool house, on 5 acres. The grounds and amenities are excellent. The main house is a single story that totals approximately 5,500 sq ft. It includes four bedrooms, a study, three full bathrooms, and two half baths. The main home is recently updated, mixing modern and traditional styles perfectly. Hardwood floors, beautiful solid wood beams, light-colored walls, and quartzite countertops finish off this desirable aesthetic. The 1,500 sq. ft. +/- guest house and 1,200 sq. ft. +/- pool house have been beautifully updated with kitchens, full bathrooms, laundry, and sleeping areas. One has a Hill Country-chic aesthetic, while the other is a modern farmhouse. Sleeps many. The owners recently built a covered Pickleball pavilion with an elevated stage that would be fun for various uses. There is a gorgeous large pool, a 3-car garage, two parking courts, and an enormous covered outdoor living area with a fireplace and outdoor kitchen to enjoy the peaceful surroundings. The owners recently added nearly a million dollars in lush landscaping and hardscaping including a cut limestone wall for complete privacy throughout the entire estate, to cap off this stunningly beautiful property. A rare find with an ideal location.
