NORTHWOOD ESTATES, San Antonio, TX

Multiple offers received; please submit offers for consideration before 4pm on 9/25. This incredible Northwood estate offers the utmost privacy and seclusion, all while being just minutes away from the airport, great restaurants, and upscale shopping. A long driveway leads family and guests alike through a gate and onto the grounds, where they have their choice of the circular drive, 3-car garage, 2-car carport, or separate parking pad. The home has a striking entrance, with walls of windows flanking the main living space that was stripped to the slab and redesigned by Mitchell Meyer and boasts 16' ceilings, an impressive wood-burning fireplace and true limestone columns. The natural light coming through these north/south-facing windows and doors is incredible, and I imagine the cross-breeze is as well. The brilliant U-shaped layout wraps around the outdoor entertaining spaces, and pool, and provides outdoor access from the main living space, owners suite, and bonus room. Tucked away at the rear of one wing, the owners suite offers three large closets and spacious bathroom with marble flooring, marble walk-in shower with hand-painted accent tiles, and polished limestone-topped double vanity underneath crank casement windows that overlook a gorgeous privacy screen. All four bedrooms offer private ensuite baths. The eat-in kitchen features Brazilian granite counters, red oak cabinets, a 6-burner gas stove and double ovens. The two secondary bedrooms in the

east wing of the home open off of the bonus room, which would be a fantastic play room, office, workout space, etc. Huge, mature trees surround the entire level property, and there's plenty of irrigated, level lawn for play. Alamo Heights ISD. Features list available.
