Residential on 0.44 Acres

Plateau-Oaks A, West Lake Hills, TX

Elegant transitional on a secluded but supremely convenient Westlake street filled with mature trees, large lots, and beautiful homes. Faced with limestone and stucco, the façade is accented with steel doors and windows and topped with a standing-seam metal roof for a modern take on the Hill Country aesthetic. Walking distance from Bee Caves Road, and downtown is just four miles away, with plenty of shopping, dining, and entertainment in between. The back of the home opens to the view of a resort-worthy pool, spa, and manicured landscaping. Grill up dinner in the gourmet, fully equipped summer kitchen and end the evening gathered around the fire pit. Inside, the home features designer-selected finishes like European white oak flooring, dramatic crystal lighting, marble-clad bathrooms, a stacked-stone modern fireplace, plus a chef's kitchen outfitted with an entire suite of Thermador appliances. Enjoy a sumptuous primary suite and a mirrored gym on the main floor, an upstairs game room, and a state-of-the-art home theatre complemented by control four home automation technology plus many extras.
