The Century condos, Austin, TX

Incredibly well-located condo! This cozy place is directly across the street from University of Texas School of Law and close to McCombs School of Business. Exceptional location within complex too! Corner unit overlooks Eastwood Neighborhood Park and all the trees, walking paths, tennis courts and more. Corner unit means there is only one shared wall and a tree level window on the side. Walkscore.com rates this location highly and calls it a Bikers Paradise. If you have a car, there is a reserved covered parking under the building. Updates to paint, flooring and more possible with higher rent agreement and if timing works out. The washer/dryer in unit. Possession August 6. Or later if updating is negotiated.

Built in 1973
