Where dreams come true! 15 miles to Taylor!!

Unrestricted, no flood plain, easy access. The potential of this one of a kind property is endless- move on in and live the dream of farm life, while close enough to Austin to commute to work. Bring your own horses and livestock - the barns are move in ready. OR. bring your family and start building your unique farm life. The horse barn has 6 stalls (a few have had the walls removed for hay storage, but can be put back), a fly spray room and feed storage facilities. The antique looking detached garage was originally built as an apartment! It has been used as a garage lately but could easily be cleaned up and restored to guest accommodations. The industrial garage is equipped to do heavy machinery work- and there is heat, HVAC, water and electricity run to every barn and building. A private well supports irrigation and livestock watering for the entire property, while city water (Jonah) supplies water to the home. The entire property is fenced, much of it with electric fencing to contain the longhorn cattle currently living on site.

If the farm life isn't for you, this 17.5 acres is completely un-restricted. No deed restrictions, not a foot of it is in the floodway- a buyer can subdivide, develop, build, sell, and create on this property without neighbor or development permissions.

Built in 1984
