Farms and Ranches on 2.82 Acres

Riverside North, Ingram, TX

Nestled on the banks of the North Fork of the Guadalupe River between Camp Waldemar and MO Ranch, is the secluded home known as Rio Retreat. Aptly named, the 5 bedroom home is architecturally designed by noted Texas architect Michael Landrum to complement its riverside vantage point.

Located on a magnificent stretch of the river, the boundary between indoors and outdoors is seamless. Overlooking the river and multiple entertaining areas, it is a serene invitation to relax on the Guadalupe.

Built in 2000
