Farms and Ranches on 10.97 Acres

Mount Sharp Ranch, Wimberley, TX

HOUSE WILL BE OPEN SATURDAY AND SUNDAY FROM 1-4. Beautiful Estate Home with privacy, solitude and views for miles. The 10.966 acres are located in the highly coveted Mt. Sharp area centrally located half way between Wimberley and Dripping Springs.

This 2800 square foot custom home was architecturally designed to take advantage of the long views and spectacular sunsets and is positioned on the land to optimize both. The stunning landscaping is designed to complement the home and the sparkling pool is surrounded by lush plants with full irrigation. The floor plan has 2 secondary bedrooms on a wing off of the large kitchen and the primary bedroom is separated from the main living areas of the home with a small office area. There is a door from the primary bedroom onto the deep back porch that looks over the land and has views to the south beyond Devil's Backbone. The kitchen has as much storage as you could ever use and can seat six plus people at the expansive center island. The dining/breakfast area has long views through the tall windows and will become one of your favorite places to spend your day. The home has many upgraded custom features (see agent for features list) and has been immaculately well kept and maintained. RV parking is hidden from the house off of the winding concrete driveway. 3 legal lots totaling 10.966 acres. Minimal restrictions allow for full enjoyment of the property and an AG valuation saves money on property taxes every year.

Gated entry with lots of hardwood trees and plenty of room for a guest house or equine facilities.
