4 Bedroom, 5.00 Bathroom, 3,758 sqft
Residential on 0.42 Acres

Highland Park West, Austin, TX

Situated in the heart of Austin, this property offers over 3,700 SF of living space. From the street, you are instantly greeted by an elegant 1-story home with a beautiful paver circular driveway and white stone walkway leading up to the front porch. As you enter the home, enjoy the light-filled interiors with ample windows throughout giving way to views of the backyard oasis. The formal living room is adorned with beautiful built-ins flanking either side of the fireplace as well as a large picture window. Hardwood floors run throughout the open-concept dining, kitchen, and family room, ideal for entertaining. The kitchen has been beautifully updated with stainless steel appliances and ample storage. The family room also has a gorgeous custom stone fireplace, walls of windows looking out to the backyard and 2 sets of french doors leading to the back deck and built in water feature.

The bedrooms are located in a private wing of the home that can be closed off from the common areas. The spacious primary suite offers french doors that lead outside, as well as a spa-like bathroom with dual vanities, thoughtfully designed storage, large soaking tub, and a glass-enclosed steam shower.

The backyard is an incredible oasis of luxury wrapped in the privacy of mature trees and meticulously maintained landscaping. The pool and spa are surrounded by an exquisite terrace off of the rare two story guest house.

Relax beneath the pergola that covers the outdoor fireplace and outdoor kitchen with impeccable space to dine al fresco. The guest home/pool house offers a separate entrance to the upstairs apartment with a kitchenette, bathroom and balcony that overlooks the pool.

The desirable neighborhood is close to Highland Park Elementary School. The home is just a short stroll from Russell's Bakery for a morning coffee, as well as happy hour at Fonda San Miguel. Enjoy close proximity to MoPac for quick access to Downtown Austin and the Domain.
