Baker, Austin, TX

Absolutely nothing else like this! Upscale modern architecture and premium finishes define this sun-splashed 3BD/2.5BA modern masterpiece by Level 4 Studio, revered builders known for homes that thoughtfully balance beauty and efficiency through purposeful design. An outdoor entertaining courtyard with sliding glass door access to the garage introduces the home's indoor-outdoor lifestyle. Inside, a stunning double-height great room invites you to relax or entertain, while a massive deck overlooks the fenced yard. The open kitchen impresses with custom cabinetry, a massive island and upscale appliances. A powder room, laundry room and mudroom complete the well-planned level. Ascend the breathtaking floating staircase to discover a serene owner's suite with a spa bath, walk-in closet and a bonus room perfect as an office or fitness space. Two large secondary beds share a well-appointed full bathroom. This East Side neighborhood is surrounded by wonderful parks and a golf course, less than 15 minutes from Downtown Austin.
