It's near impossible to find such a gorgeous piece of land that holds such amazing Texas history. There is an old hand dug well, rock out cropping and another very interesting feature.

This land has been producing hay, along with raising some stunning calves.

It has several good ponds and some of the best panoramic views in the county. One of favorite things about this land is the beautiful Oak Trees, that are most likely over 200 years old.

Make plans today to tour this property, it's approximately halfway between Houston and Austin. It is close to Round Top, Burton, Carmine, Brenham and LaGrange.
