Multiple offers received - Best and Final Due Monday at noon - Another amazing McCarley//Rodenberg Design home with downtown city views in the heart of 78704 that you don't want to miss! This stunning and very unique contemporary duplex that lives like a single family home designed with soaring 11ft tall ceilings with large picture windows and sliding glass doors bringing an abundance of natural light. This home was designed and built with a shared wall that doesn't act as a shared wall. You have 2 separate walls with an air gap between them which are over insulated making for an ultimate sound resistance experience. Engineered birch flooring throughout the home with superb tile selections in all bathrooms and the kitchen. Upon entrance of the main floor you will find a larger than life open floor plan connecting the living room, dining room and spacious gourmet kitchen with beautiful cabinets, high end quartz countertops with large waterfall island, luxury finishes with island pendants, 18' dining lights and a spectacular tile kitchen backsplash. On the second floor you'll find 2 spacious secondary bedrooms with a full bathroom and the oversized primary suite with a private balcony and bathroom with a huge walk-in closet. Topping things off on the third floor you will find an enormous open loft space that could be a second living room, game room, home gym, double home offices all in one. There's endless opportunities to take advantage of this amazing third story space

with another private balcony and downtown city views. 1 car attached garage as well as a very private and spacious backyard separated from the adjacent unit with a privacy fence.
