Surrounded by multi-million dollar homes, this lovingly maintained gem overflows with creativity and character. Charming details include interior rock walls, a wood-burning fireplace, built-in display shelves, and red oak floors. Two of the three bedrooms have their own attached study/sitting room allowing privacy and flexibility.

Shaded by mature oaks, enjoy nature year-round with gardens, outdoor living spaces, and a glass-enclosed sunroom. The garage and ample storage areas can be accessed via a breezeway that also serves well as a greenhouse.
