Townhome on 0.13 Acres

Oakmont Heights, Austin, TX

Sleek, modern home in ultra-convenient Central Austin, just minutes from Mopac, Lamar and downtown. Tucked on a quiet, leafy street off Bull Creek Road, this enclave enjoys the benefits of the nearby amenities of the new Grove development while maintaining the charm of a classic old-Austin neighborhood. Designed for both beauty and efficiency, the floorplan lives larger than its 1900 square feet; you will have all the space you need for family, friends and pets on one convenient level. The open living/dining area opens to a turf-covered back yard and patio that extends the living space. Gleaming concrete floors ground each room, providing a modern and indestructible backdrop for gleaming white walls, quartz and marble finishes, designer lighting and custom tile.
