Residential on 0.33 Acres

Snyder Add, Georgetown, TX

This amazingly designed custom home gives all the character of Old Town in a brand new smartly designed home just minutes from the Historic Georgetown Square. Luscious design choices include Calcutta marble and soap stone counters, white oak and marble flooring, custom steel front door, natural gas burning front exterior lanterns, and vaulted ceilings. The kitchen boasts professional grade appliances like Fisher & Paykel, Bosch, and Thor.   The home chef will love the 6 burner gas stove and double oven.   The bonus room upstairs could be a 4th bedroom or a media/gaming room as it is hard wired with Cat 6 for a professional grade home theater or game system. This is a showstopper and you must see it for yourself!
