Village Lake Office Condo, Georgetown, TX

Private office in one of Georgetown's nicest office complexes, and this is the choice building (next to the decorative pond). The office has a nice, east-facing window (no hot western sun in the afternoon). There are 3 other tenants in the office condo (accountant and two therapists). Common area includes reception, kitchen with fridge, restroom, and filing/storage area. Each tenant pays 25% of the electric bill (about \$25/month). Plenty of parking. The existing tenants will probably allow you to use their internet connection if you pay an equal share.

Built in 2005
