Farms and Ranches on 50.00 Acres

none, Burnet, TX

This unrestricted 50 acres has one of the highest elevation points in Burnet County with the peak reaching just under 1480ft. With panoramic mile long views, words truly cannot describe the scenery. The property is situated just 10 minutes from the HEB in Burnet and a little over an hour from Austin. The property is fully fenced and ready for livestock and Ag exempt. White tail deer, Rio Grande Turkey and Mourning Dove can be found either bedding down or passing through. At the front of the property there is a nice open pasture that could easily be turned into a coastal field. There is plenty of cover with cedar trees and good scattered oaks throughout. With a custom rock wall entrance, a newly built tank, pole barn, and a well, the property is primed and waiting for the right person to claim their piece of the Texas Hill Country.
