Located only 3 miles West of Interstate 35, outside of Salado, is this beautiful approx. 67 acre Texas Hill Country property. The majority of this property is situated on a higher elevation with beautiful views of the surrounding Hill Country. However, for a length of approximately two thousand feet, Salado Creek meanders through a wooded creek bottom below a breathtaking 30 ft rock bluff. White tailed deer sip water as they cross the creek to graze from the banks while birds flutter among the variety of trees including elm, pecan, cedar and various species of oak trees.
