The Hollows, Jonestown, TX

The Kenwood features elegant arches throughout and an open floor plan that reflects today's modern living style. The kitchen, with its walk-in pantry and curved serving island, is the focal point between the casual breakfast room and the large family room with soaring 2-story ceilings. The family room balances the kitchen and is grounded by a cozy corner fireplace. The light-filled study with its lovely bay window lies beside the main foyer -- perfect for clients or visiting family. A first-floor bedroom suite lies just off the family foyer. The luxurious first-floor owner's suite with garden bath, glass shower and generous walk-in closet is tucked toward the rear for maximum privacy. Upstairs are three comfortable bedroom suites, all with walk-in closets, and a spacious game room with media.
