Back on Market. Buyer could not obtain financing. Rare remodel in the desirable Jester Estates. Ideally located on a quiet cul-de-sac with a large level pie shaped lot and beautiful shade trees. This unique floorplan has 3 bedrooms down and the primary suite up. The fourth bedroom is designed to be an office/guest suite with new built in cabinets, slider to the outside and deck. House was taken down to the studs and re-built with new insulation, drywall, kitchen, laundry, bathrooms, roof, landscaping, floors etc with the modern and tasteful style that only Habitat Haus has. Starting with their signature steel and glass front door, you are enveloped into modern and welcoming style. All cabinets are custom built flat paneled wood with matte black hardware, white quartz counters, light up mirrors, and so much more. This is truly a showcase of a home. Don't miss it!
