Over 25 beautiful acres with a classic early Texas style ranch house situated in the middle. The setting is private and serene, completely fenced, replete with hundreds of large, mature, Oak trees, and surrounded by several large ranches. Wildlife is abundant, including deer, armadillos, rabbits, foxes, birds and butterflies. The property is laced with several fun hiking trails through the woods and across pastures that grow lush with colorful wildflowers in the Spring. Horses and other livestock allowed, the terrain is gently sloping and not in a flood plain. There are several outbuildings including a greenhouse, small barn, loafing shed, and garage sized Morgan building. The gorgeous 3400 square foot home also has 1500 square feet of covered porches. It has custom, solid oak cabinets with granite countertops, a built in wine rack, and many other features such as quality Hunter ceiling fans in each of the living spaces and 2 separately zoned heat pumps. You must see the huge second floor game room and the 3rd floor office/den to fully appreciate the possibilities for entertaining, work and fun. You can enjoy the Hill Country lifestyle only 7 miles from Wimberley with easy access to either San Antonio or Austin.
