If you're looking for an amazing opportunity, YOU HAVE FOUND IT! Live water, on a section of the Pedernales River that hasn't been dry in at least twenty nine years! This unrestricted 21+ acre property with 383' of river frontage has SO MANY POSSIBILITIES. The Panoramic Hill Country views from high atop a bluff are simply stunning. Peace and quiet surrounds you. The two bedroom, two bathroom home has ten foot ceilings, a stone fireplace, 2x6 walls, and features metal siding and roofing. Three sides have a wide wraparound covered porch for enjoying all of the views, plus there's an attached garage. The RV barn has hookups with water, electricity, and a septic holding tank that pumps up to the house's tank. Next to the well house is a 1,500 gallon water storage tank. A two stall run-in barn once housed horses and donkeys. There is approximately one half mile of four board wood fencing. You'll find Post Oaks, Red Oaks, and Live Oaks all over the property, along with Prickly Pear, Agarita, Persimmons, and Juniper Ashe. Texas Bluebonnets bloom every Spring. Two tanks on the land could hold water again if the dams were rebuilt. This property offers the BEST of Hill Country living...animal friendly land, big views, and live water!
