Beautiful custom home on large lot with century oaks. You will not find this anywhere else in town. This home is the perfect family home in a small conveniently located neighborhood. The Stone finish makes for very good curb appeal against the giant oaks in the yard. Walk in to an amazing foyer with a completely private office in the front. The wood look tile continues the look outside. The space opens up to an enormous family room/kitchen area with an electric fireplace and floor to ceiling sliders across the back. The kitchen is its own vibe with modern dark cabinets and bold granite. This home brings modern organic vibes with the darker trim against the natural wood tones and light fixtures. Huge kitchen island with black sink, custom vent hood and a walk in hidden pantry with cabinetry and open shelving. Double ovens and cook top with pot filler makes this a chefs dream. Continuing through the dining area, you find a special treat with a built in mud room bench and hooks. The laundry is amazing with a sink and connects to the oversized master closet. Master bath with bedside lighting is a perfect retreat and entrance to your spa like bath with free standing tub and large shower. Secondary bedrooms on the other side of the home are all generously spaced along with another beautiful bath.
