Deerwood Estates, Killeen, Texas

Curb Appeal! Is the first thing that comes to mind when I look at this gem of a home! Another Carothers beautiful creation built in the prestigious Deerwood Estates! This 4 bedroom plan has 2 living and 2 dining areas with a wood burning fireplace in the family room! Some of the amenities are custom cabinets, granite countertops, center island with electrical outlet, double oven, recessed lights, tile, tray ceilings, crown molding, ceiling fans and custom plantation shutters throughout the home! The bedroom situated to the right when you enter the home has French doors and a closet. So can also be used as an office or flex room! The master bathroom has a separate shower with a seat and dual master closets! The interior of the home has recently been painted! The roof is about a year or a little more old! There is a covered porch at entry and a large covered patio in the back! What can I say but awesome ambiance when you step out onto the patio! Not only covered but has ceiling fans and light fixtures! The seller has put a lot of TLC in the inside and the outside of the home to include a beautiful garden and a chicken coop! As well as a storage shed!

The square footage on the tax records are incorrect. The seller had the house appraised and the appraiser said the square footage is 2,760.
