\$260,000

3 Bedroom, 2.00 Bathroom, 2,442 sqft
Residential on 0.27 Acres

Jasper Heights 3rd, Killeen, Texas

This beautifully landscaped, well-cared-for, spacious home is located in an established neighborhood--just one block from a new elementary school and just a short drive to Ft. Cavazos. Special features include a new roof and gutters (to be installed prior to closing due to recent storm damage), freshly painted interior, and no carpet! The wood laminate flooring and tile are easy care. The spacious kitchen with breakfast bar has quartz countertops and an undermount sink. Pantry is in the laundry room. The large living room is light, airy and open and features a wood-burning fireplace with raised hearth. To say that all bedrooms are "large", is an understatement. The huge family room with wet bar is perfect for family fun or entertaining...or it could be converted to a mother-in law or teen-ager's suite. The level fenced yard is also great for your family or guests. The 2-car garage has separate doors and an enclosed storage room. There is also extra concrete flatwork in front of and at the side of the house for additional parking and hidden storage. Make this house your home!
